

COURSE:

Improve your English speaking skills (B2+_ C1)

JUSTIFICACIÓN

The Common Framework of Reference for languages defines the aims, objectives and function of the general project of the Council of Europe's linguistic policy and, in particular, the encouragement of multilingualism in response to the linguistic and cultural diversity of Europe. It's vital to this process that a series of adaptations be offered to help improve the linguistic competence of teachers, both as a fundamental component to acquiring new learning and as part of their personal development. With this course the CPR in Plasencia aspires to respond to the continuing professional development needs of teachers with an advanced level (B2+C1).

OBJETIVOS

- Improve advanced level oral comprehension skills
- Improve advanced level oral expression skills
- Learn different registers in the English language
- Learn different varieties of the English language
- Get to know English codes in communication media

CONTENIDOS

These course-workshops will provide a wide range of strategies in a variety of themes and topics to motivate participants to put into practice their knowledge and competency, both linguistic and pedagogical.

METODOLOGÍA

The development of this course is eminently practical, fostering the participation of the group members. Training in listening and speaking skills will be provided through enquiries into pedagogical themes, and reading and writing by producing materials which can be used in the classroom.

It is an opportunity to bring linguistic ability up to date with the support of a native speaker, using current and contemporary materials.
